First Aeronautical Weekly in the World

Founded January, 1909

OFFICIAL ORGAN OF THE ROYAL AERO CLUB OF THE UNITED KINGDOM

INDEX TO VOLUME LXXIV

July to December 1958

A

A-11 glider (photo.), 94
Aberdeen University Air Squadron annual dinner announced, 536; report, 809
ACCIDENTS:
Aeroflot Tu-104 at Kanash, 648
Airwork Hermes at Calcutta, inquiry report, 505
All-Nippon Airways DC-3 near Tokyo, 249
Aquila Airways Short Solent flying-boat on the Isle of Wight, inquiry report, 208
Artop Martin Mariner lost between Lisbon and Madeira, 757
Aviaco Languedoc in Guadarrama Mountains, 957
B.E.A. Elizabethan at Munich, report of investigating committee, 26; report completed and sent to M.T.C.A., 957
— Viscount at Nutts Corner unexplained, 91; final conclusion, 674
— — collision with Italian Sabre over Nettuno, 706
Central African Airways Viscount 748 near Benghazi, 218; preliminary survey report, 300; court of inquiry report, 927; full report, 955
Convair B-58 Hustler lost over New Mexico, 963
Conway-Vulcan at R.A.F. Syerston, 508
Cubana Viscount crash off Cuba, 717; rebels not responsible, 813
Deutsche Flugdienst Viking Freighter crash near Zele, Belgium, 707
Gibbes Sepik Airways Noorduyn Norseman at Mendi, New Guinea, 93
Handley Page Dart Herald near Farnborough, 397; cause established, 534; full report, 640
Hunting Clan Viscount 732 crash after overhaul, 957
Independent Air Travel, Viking crash at Southall, Middx., 473; letter from Minister of Transport and Civil Aviation, 503; date of coroner's inquest, 813
Indian Airlines DC-3 at Dacca, 93
K.L.M. Super Constellation in North Atlantic, 249
L.A.V. Super Constellation near Maracaibo, 676
Lockheed U-2 crashes, all such aircraft grounded, 64
Middle East Airlines' York lost between Beirut and Rome, 604
Northeast Airlines Convair 240 at Nantucket Airport, 249
Northwest Airlines DC-6B crash near Minneapolis, 390
R.N. Scimitar from H.M.S. *Victorious*, 540; newspaper reports (Leader), 537; aircraft salvaged, 710; inquest verdict, 851; repercussions, 903; full report of findings, 904
Seaboard and Western Airlines Super Constellation at New York International, 813
Silver City Bristol Wayfarer at Winter Hill, report of inquiry, 812
Vulcan of No. 83 Sqn. crash at Detroit River, 680
Accra airport, improvements to be made to allow jet operations, 676
— Gliding Club second Open Day, 926
Adams, Don (author), 227
Adhesive tape with adhesive on both sides produced, 778
Admiralty, Director-General, Aircraft, appointed, 925
Aer Lingus aircraft deliveries and plans, 603
— — annual report, 246
— — continental network to be extended, 707
— — drop in cross-channel passengers (S. and L.), 464
— — Fokker Friendship, first aircraft to be delivered in October, 212
— — — — landing at Dublin (photo.), 859
— — — — services, inauguration in November (photo. of aircraft), 568
— — — — to be demonstrated in U.K., dates, 846
— — — Friendships delivered and named (photo.), 845
— —, half year reviewed, 812
— —, integration with Aerlinte Eireann, 715
— —, new equipment deliveries starting, 212
Aerial jeep developed by Piasecki Aircraft (photo.), 610
Aerlinte Eireann integration with Aer Lingus, 715
— — transatlantic service, encouraging start, 212
Aero Commander, Model 500 announced, 56
— Controls Ltd., ACFlex pipe couplings produced 778
— -Jodel D.11 with Continental engines test flown, 784
— — D.11A Club amateur constructors' kit (photo.), 784
— Pictorial Ltd., death of Mr. C. E. Murrell, 36
— Transportes, Mexico-Los Angeles service refused, 93
Aerocar Model 2 Aero-Plane (details and photo.), 555
Aerocontacts (Sales) Ltd., appointed U.K. sales representative for Leach Corp., 22
Aerodrome Owners' Association conference, 565
Aeroflot, Paris service to commence, 29; first flight, 246
—, Simferopol-Yalta helicopter service started, 842
—, Super Aero 45s ordered, 178
—, Tu-104 Albanian services to be extended to Cairo, 534; Moscow-Cairo proving flight, 859
— — at Schiphol (photo.), 90
— — ban at London Airport criticized by Marshal Zhigarev, 254
— — crash at Kanash, 648
— — invited to London for noise-level tests, 390
— — noise-level test requirements, 568
— — with new marking (photo.), 831
— Tu-104B to enter service, 604
— Tu-104s and Il-18s at Moscow airport (photos.), 9
Aerograph Co. Ltd., name changed to Aerograph-De Vilbiss Co. Ltd., 752
Aerojet-General Corp., Bristol Aeroplane Company agreement and new company formed, 610
Aerolev Ltd., technical data catalogue published, 238
Aerolineas Argentinas Comet 4 ground starting equipment contract for Auto Diesels, 900
— — — New York service commencement date, 676
— — — order questioned in Chamber of Deputies, 93; cancellation rumour denied, 210; details of order and plans for services, 433; delivery date, 957
— — — service inauguration date, 568
— —, president at London Airport (photo.), 474
AGARD aeromedical panel meeting details, 618
— eighth general assembly, 851
—, meeting dates, 157
Agricultural Aviation Co. Ltd., new crop-spraying installation for light aircraft, 654
— helicopters (illus. article), 160
Agusta A.Z.8 first flight (photo.), 27
Air Algerie, Caravelle option taken up, 29; option on fourth Caravelle taken, 859
— -Britain, London Society of, December meeting details, 819
— Ceylon, Comet 4 interest reported, 813
— —, Electra purchase suggested, 641
— — investment difficulties, 715
— —, turboprop order reported, 93
— Charter, Avro Super Trader loading with Jindiviks (photo.), 473
— —, Bristol 170 Mk 31s converted to Mk 32 standard (photo.), 58
— —, Britannia acquired, 181; photo., 564; services to begin, 567; troops disembarking (photo.), 675
— —, Gurkha contract awarded by Air Ministry, 717
— displays, primary rules (Leader), 217
— France, aircraft procurement planning lecture published, 59
— —, Breguet 763 fleet flying hours and passengers carried, 707
— —, Cairo services to be resumed, 390
— — Caravelle, further order, 91
— — — scheduled services starting date, 707
— —, Moscow service to commence, 29; August suggested, 61
— —, Paris-Scandinavia services to be pooled with S.A.S., 717
— —, South Atlantic ticket pool agreement, 93
— India, L.1049Gs, further delivery, 246
— —, London-Bombay all-freight service to start, 783
— —, Moscow services postponed for lack of 115/145 fuel, 90
— —, new London offices opened, 181; vice-chairman at (photo.), 533
— Jordan, Arab Airways taken over, 988
— — merged with Arab Airways as Jordan Airways, 604
— law, lecutres commencing at London University, 512
— League of the British Empire luncheon at the Mansion House, 681
— — — — — —, R.34 memorial cancelled, 932
— — — — — —, secretary-general appointed, 190
— Minister takes salute at Henlow passing-out parade (photo.), 206
— — visit to R.O.C. summer camp (photo.), 89
— Ministry, Air Marshal Sir H. L. Patch appointed Air Member for Personnel, 779
— —, Director of Air Defence appointed, 840
— —, Director of Engineering (Guided Weapons) appointed, 89

— — —, Director of Ground Defence appointed, 958
— — —, Director of Operational Requirements (A) changed, 301
— — —, Director of Operational Requirements (B) appointed, 840
— — —, Director of Personnel (Air) appointed, 152
— — —, Gurkha contract awarded to Air Charter, 717
— — —, Head of the Air Historical Branch and Librarian appointed, 719
— — information office, Manchester, telephone number changed, 841
— — —, troops disembarking from Britannia 307 (photo.), 675
— — weather ships, Shackletons to drop Christmas mail, 990
— Navigation and Trading Co. Ltd., Handley Page Marathons acquired, 707
— Registration Board C. of A. requirements agreement being reached with C.A.B., 28
— — — —, Notices to Licensed Engineers and to Owners of Aircraft issued, 846
— — — —, twenty-first birthday celebration and annual report, 60
— Research Bureau, Mr. V. Gruberg Gore to become secretary, 707
— survey in France (illus. desc.), 911
— Torpedo Development Unit, Bristol Brigand at Cuidrose (photo.), 96
— traffic between U.K. and overseas, future, 30
— — control, need for co-ordination of military and civil aircraft movement, 844
— — — problems (article), 971
— — in April, 60
— —, more Americans travel by air, 60
— Training Corps Central Council of Welfare, new chairman appointed, 301
— — —, Duke of Edinburgh Award winners with Sir John Hunt (photo.), 819
— — —, No. 624 Gliding School Kirby Cadet T.3 (photo.), 831
— — —, R.A.F.V.R. Air Experience Flights formed to train cadets, 536
— — —, tie produced, 855
— — —, U.S., Canadian and Continental cadets to tour U.K., 152; cadets received by Duke of Edinburgh, 161
— — — week-end gliding schools to open, 501
— Transport Advisory Council, annual report, 211
— — — —, Mr. A. W. Smith appointed member, 641
— Transport Electronics Council, inaugural meeting held, 822
— — in the Commonwealth (illus. review), 280
— — passengers, more hotels needed, 531
— travel concession fares may be taxed, 567
AIRCENT reconnaissance competition winners, 563
Aircraft and General Finance Corp., Super Aero distribution rights granted, 292
—, business and touring (illus. review), 574
— control by computer (article), 828
— credit terms, 783
—, design competition for amateur-built light machines, 56
— development, Cantor lecture, 909
— electrical systems, unparalleled A.C. (illus. article), 907
— Exchange Inc., formed, 956
— Manufacturing Co. Ltd., D.H.121 (illus. desc. and 3-view g.a. drg.), 120
— — — — order by B.E.A. confirmed, 246
— marking trends (photos.), 831
— noise (Leader), 31
— Recognition Society, December forum announced, 903
— — —, first autumn meeting details, 433
— replacement discussed, 245
— Research Association, wind tunnel fan blades successful use of resin, 923
— weight, altitude and temperature limitations, B.A.L.P.A. statement, 856
— versus forest fire (illus. desc.), 260
Airey, J. A, (author), 70
Airline profits measuring, 61
— seats, the case for forward-facing, 390
— traffic results for 1958 forecast, 842
Airliner capacity to exceed demand suggested in I.C.A.O. report, 28
— Census, 806
— population of the world, 814
— productivity, compared (graph), 503
— stairs self-propelled (photos.), 426
— —, telescopic (photo.), 561
Airlines on Eastern routes (illus. desc.), 653
Airlines' shopping list No. 5, 506
Airport Equipment (illus. review), 744
— layout and equipment for quick turn-round (illus. desc.), 725
— passenger traffic survey (illus. desc.), 733
— problem of jet noise (illus. article), 743
— runways and big jets (illus. article), 736
Airports in Western Europe, traffic statistics, 564
—, international, facts and figures, 739; further information, 783
Airspray (Colchester) Ltd., Thruxton Jackaroo for crop-spraying bought, 68
Airtech Ltd., Aircon portable building unit designed (details and photo.), 425
Airways Modernization Board contract awarded for survey and forecast of air traffic, 246
— — —, contracts for semi-automatic air traffic control system, 58
Airwork Ltd., Hermes accident at Calcutta, inquiry report, 505
— —, Morton Air Services majority interest purchased, 845; further details, 957
Aked, P. S., appointment, 238
Alitalia, cost of expansion, 473
—, Government approval for purchase of jet equipment, 715; details of financial support, 845
—, Pakistan and India service planned, 29
—, South Atlantic service ticket pool agreement, 93
All-Nippon Airways DC-3 crash near Tokyo, 249
All-weather amphibian (illus. article), 225
Allen, S., appointed chief engineer of Armstrong Siddeley Motors, 156; photo, 214
Allison 250 h.p. turboshaft engine (illus. desc.), 485
— 501, 1,000 hr overhaul life approved, 532
Alpine rally at Innsbruck, entrants (photo.), 784
Alvis Ltd., Mr. T. C. Wallace resigns, 292; photo., 425
Amateur Photographer "Lighting and Flash Guide", 541
American Air Line Pilots Association, criticism of airlines, 640
— Airlines, August traffic increase over previous year, 534
— —, Boeing 707 first aircraft rolled out (photo.), 57; taking off (photo.), 674
— — — New York-Los Angeles service inauguration put back, 505; commencement date, 568
— —, Convair 240s to be sold, 641
— — — 600 reported to be offered, 181
— — fare adjustments requested, 566
— — jet airliner orders, 186; further details, 244
— —, Lockheed Electra and Boeing 707, first aircraft delivered (photo.), 812; services starting dates, 846
— — — — delivered, 957
— —, re-confirmation of reservation by passengers abandoned, 929
— —, traffic compared with that of United Airlines, 567
— travellers, greater percentage go by air, 60
Anchorage traffic rights granted to S.A.S., 93
Anglo-American Aeronautical Conference 1959, Canadian Aeronautical Institute to attend and dates announced, 819
— — Hangar Co., to licence construct cantilever hangars, 900
— German gliding club formed in Northern Germany, 718
Ansett-A.N.A., airliner orders approved, 504
— —, Fokker Friendships ordered (photo.), 177
— —, Mr. Ansett at controls of Dart Herald (photo), 26
Anti-Bomber Missile (illus. article), 70
Antonov An-10A Ukraine (illus. desc.), 112
Aquila Airways, flying-boat services reported to be ending, 93; confirmation, 100; services ended, 565
— —, Lisbon-Madeira services may be taken over by Artop, 212

"FLIGHT" PHOTOGRAPHS AND REPRINTS

MANY articles and news reports in *Flight* are illustrated with photographs taken by the journal's own photographic staff. Prints of such pictures (usually denoted on publication by the words "*Flight* photograph") can be obtained in various sizes and styles—glossy, matt, sepia, hand-tinted—on application to *Flight* Photographic Department, Dorset House, Stamford Street, London, S.E.1. Prices are available on application. This journal also maintains a photographic library extending from the year 1909, and prints of pictures which are our own copyright can be supplied on application to the above address.

Reprints of certain articles—chiefly those dealing with new equipment and processes—are available to firms or others concerned. Application should be made immediately the feature appears or, preferably, a reservation may be made in advance. Enquiries should be forwarded to the Reprints Department, Iliffe and Sons Ltd., Dorset House, Stamford Street, London, S.E.1.

Printed in England by Sun Printers Ltd., Watford and London. L.2652
